CAMPSITES

There are two local campsites that are used by the 14th Hove Scout Group. The first of these is Hillside Scout Camp which is the one we camp at most often. When we take part in District Camps and some activity days/evenings we may use Parkwood Campsite. For week long camps we generally go to Broadstone Warren.

Before any camp or activity away from site you will be given a permission slip with details of the activity/camp. The permission slip needs to be completed and returned to one of the Section Leaders before any young person can attend an activity or camp away from the Scout HQ.

Hillside Scout Camp
The camp site consists of 21 acres of land, a camping field surrounded on three sides with woodland. There is a training room, washrooms, showers and a kitchen for indoor camps and Beaver sleepovers. There is an outdoor Chapel and a Camp Fire Circle in the woods. The camp site is held in trust for the use of Scout & Guide Groups in the Brighton & Hove District and the Shoreham & Southwick District.
